

## YUWO Scholarship Application 2024-2025

The Yale University Women's Organization ("YUWO") offers one-year Scholarships to women associated with the Yale community, whose formal education has been interrupted or delayed, and who wish to resume their academic studies or enhance their careers. Current and past scholarship recipients may reapply for one additional year. An applicant's Yale association may be through her own affiliation (past or present) or that of her immediate family. Immediate family is defined as spouse, parent, child, or sibling. *Current members of YUWO and their families are not eligible.*

Applicants are judged on merit and need. The scholarship award may be used only for unmet financial need or course tuition and academic fees only. The award is paid directly to the institution attended.

YUWO encourages all eligible women to apply. Submit the completed application form and all supporting material by emailing a PDF of all documents to [scholarships@yuwowomen.org](mailto:scholarships@yuwowomen.org). The application deadline is March 31, 2024.

Applicants will be informed of the Scholarship Committee's decision by April 30, 2024. Awards will be presented at the YUWO Annual Meeting Luncheon in May 2024. We encourage Scholarship awardees to attend the annual meeting luncheon, but attendance is not required to be awarded a YUWO Scholarship.
